## Thank you!

A special thank you to Carol Thurston, NAFHS Bookkeeper for your hard work in  
preparing the checks for this evening!

## A Brief History

In 1971 Suzy Higdon, Art Educator at Floyd Central High School (retired) founded the New Albany-Floyd County Schools Secondary Art Show as a way to recognize excellence in the Visual Arts within the school corporation. By 2000, the show had grown and the Art Awards Fund was established to secure funds for the awards. The show consists of art works from all the secondary schools in the corporation: New Albany High School, Floyd Central High School, Hazelwood Middle School, Scribner Middle School and Highland Hills Middle School. Cash awards are given in grades 5-12 for first place in several categories. Ribbons are awarded for second & third place winners and honorable mentions. Several special awards or Merit Awards are also given, these are named awards and are funded by a specific person or organizations. Works are submitted by each Art Educator and are juried by a panel of local, professional artist and retired art educators. Once this process has concluded, the task of hanging the show begins!
